U2charist is an Episcopal Eucharist (Communion) service that features the music of the rock band U2 and a message about God's call to rally around the Millennium Development Goals (MDGs).

The Episcopal Student Center at the University of Texas has formatted the service for big screen digital projection, which includes the words of the liturgy, the lyrics and U2 concert footage.

The music and message of U2 embodies global reconciliation, justice for the poor and oppressed, and the importance of caring for our neighbor. Led by Bono, U2 is calling people worldwide to a deeper faith and engagement with God's mission.

The Offering from the service will benefit the Millennium Development Goals (MDGs), targeting world poverty.

//The music that really turns me on is either **running toward God or away from God**. Both recognize the pivot, that **God is at the center of the jaunt.**//

—Bono
